

Refund Policy

Subscription Refunds, Credits & Disputes

NovaTech Solutions Inc. — Customer Support Knowledge Base

v2.3 | 2025 | Internal Use

1. Overview & Scope

This Refund Policy applies to all subscription plans purchased directly through NovaTech Solutions Inc. (novatech.io) on or after January 1, 2024. Purchases made through authorised resellers or marketplace channels (e.g., AWS Marketplace, Azure Marketplace) are governed by the respective marketplace's refund policies.

2. 30-Day Money-Back Guarantee

New subscribers on any paid plan are eligible for a full refund within 30 calendar days of the initial subscription start date — no questions asked.

To claim the 30-day guarantee, submit a refund request via the Billing Portal (Settings > Billing > Request Refund) or email billing@novatech.io with your Account ID and reason for cancellation. Refunds are processed within 5–10 business days to the original payment method.

Exclusions from the 30-Day Guarantee:

- Accounts that have previously received a refund under this guarantee.
- Plans purchased at promotional discounts greater than 40% off list price.
- Professional Services, implementation fees, or training credits.
- Add-on modules purchased separately after the initial subscription date.

3. Refunds After 30 Days

After the 30-day guarantee period, NovaTech does not offer refunds for the current or past billing cycles. However, the following exceptions may be considered:

Scenario	Eligible Refund
Service outage > 4 hours (measured against SLA)	Pro-rata credit for downtime period
Billing error (duplicate charge)	Full refund of erroneous charge
Feature removed after purchase	Pro-rata credit for remaining cycle
Death / serious illness (documented)	Case-by-case discretion
Fraudulent charge	Full refund + account investigation

4. Annual Plan Cancellations

Cancellation of an annual subscription after the 30-day guarantee period results in service termination at the end of the current billing year. No partial-year refunds are issued. Your data remains accessible in read-only mode for 90 days post-cancellation, after which it is permanently deleted in accordance with our Data Retention Policy.

5. Credits vs. Cash Refunds

At NovaTech's discretion, eligible refund amounts may be issued as account credits applied to future invoices rather than cash refunds, unless a cash refund is specifically requested and approved. Account credits do not expire and are transferable between modules within the same organisation.

6. How to Submit a Refund Request

Step 1 — Log in: Sign in to your NovaTech account at app.novatech.io.

Step 2 — Navigate: Go to Settings > Billing > Request Refund.

Step 3 — Complete form: Select the subscription line item, refund reason, and preferred resolution (refund to original method or account credit).

Step 4 — Submit: Click Submit. You will receive a confirmation email within 1 hour with a Ticket ID.

Step 5 — Processing: Approved refunds are processed within 5–10 business days. You will receive an email confirmation when the refund is issued.

7. Chargebacks & Disputes

We strongly encourage customers to contact our billing team before initiating a chargeback with their payment provider. Unauthorised chargebacks may result in account suspension pending investigation. NovaTech will respond to all chargeback evidence requests within 5 business days. Accounts with resolved chargebacks in their favour are not eligible for reinstatement without a signed reinstatement agreement.

8. Contact

Channel	Details
Email	billing@novatech.io
Phone	+1-800-668-2832 ext. 3 (Mon–Fri 09:00–18:00 CT)
Live Chat	app.novatech.io > Help > Live Chat
Support Portal	support.novatech.io (24/7 ticket submission)

This policy was last updated June 2025. NovaTech Solutions reserves the right to amend this policy with 30 days' notice to active subscribers.
